FRONT SPACE: LE STORE, LE CARRÉ, LE SALON AND THE TERRACES

This ensemble brings together three complementary spaces around a large shared terrace, brought to life from March to October by two organically shaped tents with bars, so you can enjoy the venue whatever the weather.

The real strength of this ensemble is its ability to adapt to every event and every moment of the day. A late-afternoon meeting in Le Store, followed by an elegant dinner in Le Carré, before ending the evening with music in Le Salon: it is all possible without leaving the venue. For a walking dinner, set up your buffets in Le Carré while your guests move freely between the spaces and the terrace.

Planning a dance party with a separate dining area? Book the dance floor in Le Carré and create a more intimate atmosphere in Le Salon for dinner.

Every layout is designed so that your guests enjoy a seamless experience, from the very beginning of your event to the very end.

SPACE	MEETING / CONFERENCE	RECEPTION	SEATED DINNER	DANCE PARTY	AREA (M²)
LE STORE	50 — 60	80	60	100	90

TOTAL	140 — 190	240	190	350	270
THE TERRACE	—	300	—	—	280

REAR SPACE: LE BOMA, LE PATIO AND THE TERRACES

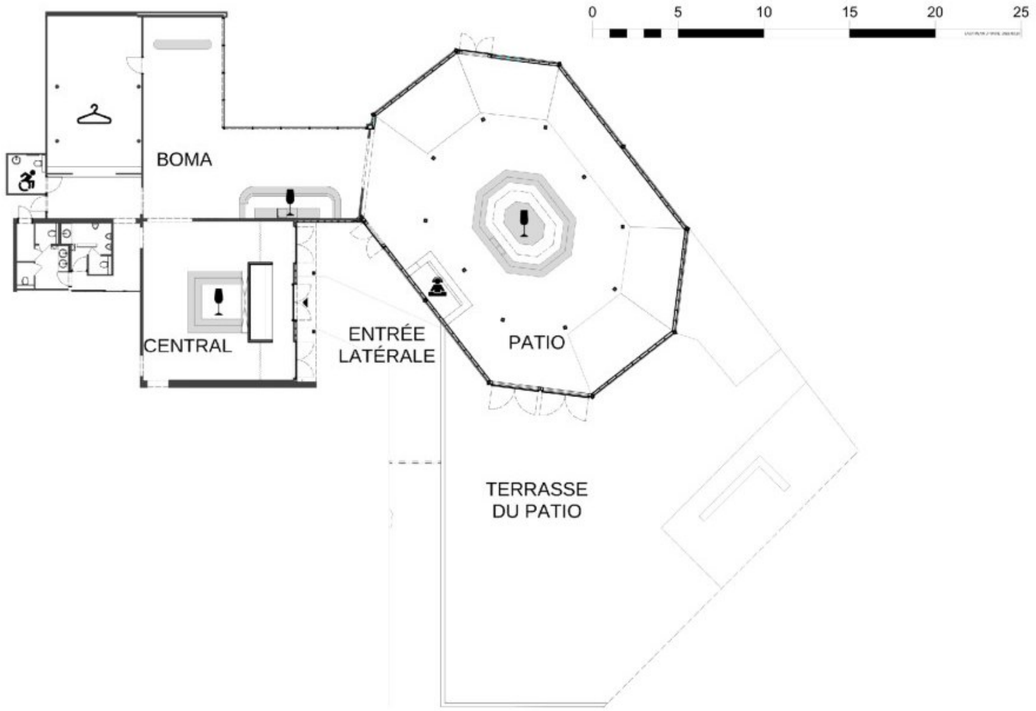

Reached via its own dedicated entrance, this ensemble offers a natural, immersive journey, where each space plays a distinct role in the flow of your event.

Le Boma, a glass-roofed space opening onto the woods, is ideal for welcome drinks. With its aperitif area and permanent bar, it creates a welcoming and convivial atmosphere before the main event begins.

In fine weather, the 250 m² private terrace provides the perfect setting for summer receptions of up to 300 standing guests or 175 guests for a barbecue.

At the heart of the ensemble lies Le Patio, a spacious 230 m² hall with a distinctive industrial character, enhanced by its exposed timber roof structure. With its lighting effects, alcoves, stage and retractable bar integrated into the floor, it adapts to every occasion: a conference for 230 guests, a standing reception for 200, a seated dinner for 220 or a dance party for up to 850 guests.

A raw space that becomes exactly what you make of it.

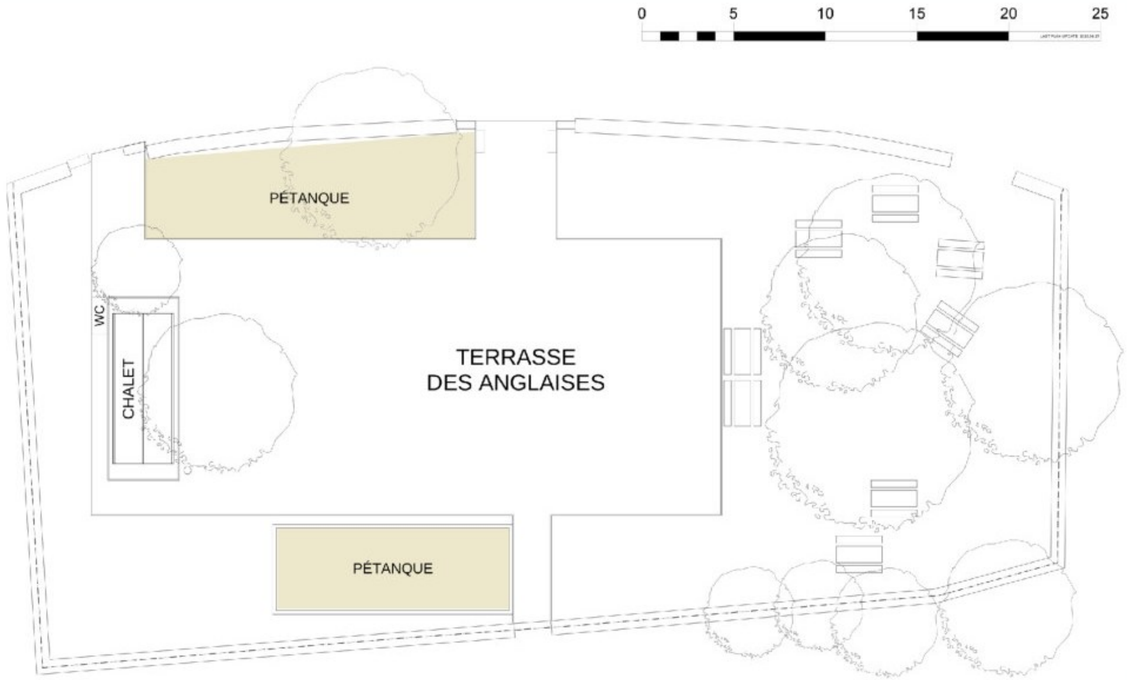

SPACE	MEETING / CONFERENCE	RECEPTION	SEATED DINNER	DANCE PARTY	AREA (M²)
LE BOMA	–	80	–	100	80
LE PATIO	230	300	220	850	230

THE TERRACE	–	300	–	–	250

LA TERRASSE DES ANGLAISES

Nestled beneath the chestnut trees of the Bois de la Cambre, the Terrasse des Anglaises offers a true green escape. With its chalet bar and unique atmosphere, it brings a touch of conviviality and authenticity that makes all the difference.

During the warmer months, it becomes the natural extension of your event: open-air drinks, a barbecue with colleagues, a relaxed end to the evening over a game of pétanque. It is the space where your guests catch their breath, mingle and make the most of the moment. And if the weather turns, it can be fitted with a tent so you can enjoy the setting whatever the conditions.

The Terrasse des Anglaises is hired in addition to the indoor spaces. As an extension of your event, it offers guests something extra: fresh air, trees, and that rare feeling of being in the countryside without ever leaving the city.
